#### THE BEST ADDRESS

First opened in 1982 as *The Remington on Post Oak Park*, this high-profile address became The St. Regis Houston in 2000. Long recognized as the area's most prestigious address, this iconic hotel is a popular destination for both national and international visitors alike.

Featuring 232 beautifully-appointed guestrooms and suites, this luxurious venue is conveniently situated in the nation's energy capital between the River Oaks residential area and the Galleria, an international mecca for upscale shopping and world-class entertainment.

Located only six miles from Houston's central business district, and nine miles from the famed Texas Medical Center, The St. Regis Houston has received numerous awards and special recognition for its quality service, attention to detail and world-class dining facilities.

ASTOR BALLROOM – contemporary yet elegant.

## THE ASTOR BALLROOM

This legendary Astor Ballroom, long a host to Houston's most talked about events, now offers spectacularly redesigned decor and amenities.

Continuing the St. Regis legacy of tradition and detailed artistry, the Astor Ballroom exemplifies tasteful elegance with a distinctly Texan esthetic. The soft, modern palette echoes the design of the suites and guestrooms, with an emphasis on texture and natural materials. Redefining "*Texas Chic*", the designer drew inspiration from the beauty of hand-stitched cowboy boots and metal spurs, visible in the myriad stitching patterns in the leather upholstery and carpet design. Refinement glitters in the subtle reference to diamonds through added highlights in the fabrics, carpet design, and crystals in the decorative light fixtures.

A flawless backdrop for special occasions, the flexible layout and separate guest entrance of the Astor Ballroom easily accommodate weddings of up to 250 guests and social events of up to 360 guests with unique flair.

THE COLONNADE - Bespoke service and refined surrounds.
